About Escher

Escher is a world leading provider of outsourced point-of-service software for use in the worldwide postal, retail and government sectors. Its core software, Riposte[®], a Digital Transaction Platform enables its customers to expand their offerings, providing new services, reducing costs and increasing efficiency

The Riposte[®] Platform securely extends the retail branch network. Escher's technology creates new revenue opportunities, it streamlines operations and its flexibility allows it to be deployed across multiple platforms and devices, giving the ultimate freedom of choice when it comes to channel and hardware selection.

Escher's focus is to ensure the success of its customers by delivering the very best in innovative technology for their business.
